

BRING IN A NEW MEMBER CONTEST!

Membership has its benefits – education, collaboration and representation. The IPAC Canada website (www.ipac-canada.org) has so much information on the benefits of being a member. The annual member resource guide for finding other IPAC Canada members, links to Infection Control sites, the opportunity to take part in our new Mentorship Program, audit tools and an audit tool app...the list is extensive. Tell another Infection Prevention and Control Professional (ICP), tell an infection control or ID physician, tell your Medical Laboratory Technologist, tell Environmental Services, tell EMS, tell your designate, and tell your director about the benefits of joining our national organization.

If that person joins IPAC Canada by **March 30, 2018**, both you and the new IPAC Canada member will be eligible to win a complimentary 2018 conference registration (Monday-Wednesday, value \$650). You are eligible for the draw with every new IPAC Canada member that you get to sign up from April 1, 2017 to March 30, 2018 inclusive. Should the winning members have already paid their 2018 conference registration a refund will be made to the person or the institution which has paid the fee.

Fill in the entry form below, and submit to membership@ipac-canada.org or fax to: 204-895-9595.

Membership applications can be found at http://www.ipac-canada.org/about_join.php
